

PRODUCT CHANGE UPDATE

To: Minuteman Dealers and Customers

From: Minuteman Technical Support

Date: 01/20/2011

Subject: TSB for - New style pad holder will be included with all the FR20115, FR20115-2S, FR17115, FR17220 and FR20220 Front Runner models.

Reason for Change

New and Improved Pad Holder

Improvement

1. The pad holders will now have the short hooks instead of the long trim bristles.
 2. The new style hooks will grip the pad better.
 3. The pad retainer will no longer be needed and will not be supplied with the pad holder.
 4. Pad holders and the machines will now be packaged together in the same carton.
