From: Minuteman Technical Support

Date: 10/20/2011

Subject: TSB for ECN MIN-11345 & MIN-11351 - New yellow urethane tires for all the E24 and E26 models

Reason for Change

The black tire part 90523309 is no longer available from our supplier.

Improvement

Better traction and less slippage

Models/Serial Numbers Affected

All E24 and E26 Models (Not the E26ECO) – The E26 models will temporarily be equipped with the gray tire part number 97071328, starting with serial number 11070047, until adequate supplies of the yellow urethane tires are available.

The change to the yellow urethane tire on the E24 and E26 will take place approximately in October 2011.

Reference Instructions

No modification will be required to make the change from one tire type to the other.

NOTE: It is recommended that when changing tires, that two of the same type of tire be used on the same machine.
