Date: 05/09/2012

Subject: TSB for MIN-11511 - New Aqua Stop Brushes for the PHX20BDQP and PHX20TDQP

Reason for Change - Makes the machines more ECO friendly.

Improvement - The Aqua Stop brushes will use less water while scrubbing.

Models/Serial Numbers Affected The models PHX20BD and PHX20TD will now have the new Aqua Stop Brush part number 7951-03 Medium Nylon 600 Grit, included with the machine as the standard brush. This will start with the serial 11110057 and following. This change will take effect on 11/9/2011.

Reference Instructions – The 172520-3 Nylo-Grit 80 brush without the Aqua Stop formally the standard brush will be available as a option.

Note: See below for additional brush options.
